

graziano

Our Zinfandel comes from ten different Zinfandel vineyards scattered throughout the benchlands and hillsides of Mendocino County. Many of these vineyards are still farmed by 3rd and 4th generation Italian-Americans. This vintage displays a rich dark purple garnet color and deep aromas of raspberry, wild strawberry, spicy white pepper with hints of toasty oak. Uplifting flavors of ripe raspberry and earth combine to give this full-bodied Zinfandel a generous mouth feel. Rich full tannins and mouthwatering acidity dance across the palate into a long, lingering elegant finish.
